

Questions to ponder for this meeting:

MAY 10TH, 2010

- **What is healing?**
- **What is the role of a healer?**
- **How do we address Animal Magnetism during a treatment?**
- **What is the foundation of disease?**
- **In treatment do we address the malady by name; please explain why or why not?**
- **Did you find the analogy of the trial setting helpful or disturbing?**
- **So... now.... YOU ARE READY to be in the PRACTICE! !**
