

Subject: Our Planting Timely True

Date: February 3, 2010

Author: Kay Witmack

Hymns: 141, 384, 460 (Supplement)

The Bible

(King James Version)

Gen 1:1-4

1 In the beginning God created the heaven and the earth.

2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

3 And God said, Let there be light: and there was light.

4 And God saw the light, that it was good: and God divided the light from the darkness.

Gen 1:10-12

10 And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good.

11 And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

12 And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

Gen 1:26,27

26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27 So God created man in his own image, in the image of God created he him; male and female created he them.

Gen 1:29

29 And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.

Gen 1:31

31 And God saw every thing that he had made, and, behold, it was very good.

Science and Health

507:11-8

Genesis i. 11. And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

The universe of Spirit reflects the creative power of the divine Principle, or Life, which reproduces the multitudinous forms of Mind and governs the multiplication of the compound idea man. The tree and herb do not yield fruit because of any propagating power of their own, but because they reflect the Mind which includes all. A material world implies a mortal mind and man a creator. The scientific divine creation declares immortal Mind and the universe created by God.

Infinite Mind creates and governs all, from the mental molecule to infinity. This divine Principle of all expresses Science and art throughout His creation, and the immortality of man and the universe. Creation is ever appearing, and must ever continue to appear from the nature of its inexhaustible source. Mortal sense inverts this appearing and calls ideas material. Thus misinterpreted, the divine idea seems to fall to the level of a human or material belief, called mortal man. But the seed is in itself, only as the divine Mind is All and reproduces all — as Mind is the multiplier, and Mind's infinite idea, man and the universe, is the product. The only intelligence or substance of a thought, a seed, or a flower is God, the creator of it. Mind is the Soul of all. Mind is Life, Truth, and Love which governs all.

508:13-16

God determines the gender of His own ideas. Gender is mental, not material. The seed within itself is the pure thought emanating from divine Mind.

The Bible

(King James Version)

Gen 2:15-17

15 And the Lord God took the man, and put him into the garden of Eden to dress it and to keep it.

16 And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat:

17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

Gen 3:1-5

1 Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

2 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:

3 But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

4 And the serpent said unto the woman, Ye shall not surely die:

5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

Gen 3:11-13

11 And he said, Who told thee that thou wast naked? Hast thou eaten of the tree, whereof I commanded thee that thou shouldest not eat?

12 And the man said, The woman whom thou gavest to be with me, she gave me of the tree, and I did eat.

13 And the Lord God said unto the woman, What is this that thou hast done? And the woman said, The serpent beguiled me, and I did eat.

Gen 3:19-23

19 In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return.

20 And Adam called his wife's name Eve; because she was the mother of all living.

21 Unto Adam also and to his wife did the Lord God make coats of skins, and clothed them.

22 And the Lord God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:

23 Therefore the Lord God sent him forth from the garden of Eden, to till the ground from whence he was taken.

Science and Health

404:9-15

A corrupt mind is manifested in a corrupt body. Lust, malice, and all sorts of evil are diseased beliefs, and you can destroy them only by destroying the wicked motives which produce them. If the evil is over in the repentant mortal mind, while its effects still remain on the individual, you can remove this disorder as God's law is fulfilled and reformation cancels the crime.

404:26-11

Healing the sick and reforming the sinner are one and the same thing in Christian Science. Both cures require the same method and are inseparable in Truth. Hatred, envy, dishonesty, fear, and so forth, make a man sick, and neither material medicine nor Mind can help him permanently, even in body, unless it makes him better mentally, and so delivers him from his destroyers. The basic error is mortal mind. Hatred inflames the brutal propensities. The indulgence of evil motives and aims makes any man, who is above the lowest type of manhood, a hopeless sufferer.

Christian Science commands man to master the propensities, — to hold hatred in abeyance with kindness, to conquer lust with chastity, revenge with charity, and to overcome deceit with honesty. Choke these errors in their early stages, if you would not cherish an army of conspirators against health, happiness, and success.

405:17 God

God. "Whatsoever a man soweth, that shall he also reap." The good man finally can overcome his fear of sin. This is sin's necessity, — to destroy itself. Immortal man demonstrates the government of God, good, in which is no power to sin.

406:1-6

The Bible contains the recipe for all healing. "The leaves of the tree were for the healing of the nations." Sin and sickness are both healed by the same Principle. The tree is typical of man's divine Principle, which is equal to every emergency, offering full salvation from sin, sickness, and death.

406:11-13

The Science of being unveils the errors of sense, and spiritual perception, aided by Science, reaches Truth. Then error disappears.

406:19-25

Resist evil — error of every sort — and it will flee from you. Error is opposed to Life. We can, and ultimately shall, so rise as to avail ourselves in every direction of the supremacy of Truth over error, Life over death, and good over evil, and this growth will go on until we arrive at the fulness of God's idea, and no more fear that we shall be sick and die.

220:26

The belief that either fasting or feasting makes men better morally or physically is one of the fruits of "the tree of the knowledge of good and evil," concerning which God said, "Thou shalt not eat of it." Mortal mind forms all conditions of the mortal body, and controls the stomach, bones, lungs, heart, blood, etc., as directly as the volition or will moves the hand.

221:29

This new-born understanding, that neither food nor the stomach, without the consent of mortal mind, can make one suffer, brings with it another lesson, — that gluttony is a sensual illusion, and that this phantasm of mortal mind disappears as we better apprehend our spiritual existence and ascend the ladder of life.

299:18-30

Knowledge gained from material sense is figuratively represented in Scripture as a tree, bearing the fruits of sin, sickness, and death. Ought we not then to judge the knowledge thus obtained to be untrue and dangerous, since "the tree is known by his fruit"?

Truth never destroys God's idea. Truth is spiritual, eternal substance, which cannot destroy the right reflection. Corporeal sense, or error, may seem to hide Truth, health, harmony, and Science, as the mist obscures the sun or the mountain; but Science, the sunshine of Truth, will melt away the shadow and reveal the celestial peaks.

The Bible

(King James Version)

Gen 1:14-17

14 And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.

17 And God set them in the firmament of the heaven to give light upon the earth,

Science and Health

508:28-4

The third stage in the order of Christian Science is an important one to the human thought, letting in the light of spiritual understanding. This period corresponds to the resurrection, when Spirit is discerned to be the Life of all, and the deathless Life, or Mind, dependent upon no material organization.

509:13

Spirit creates no other than heavenly or celestial bodies, but the stellar universe is no more celestial than our earth. This text gives the idea of the rarefaction of thought as it ascends higher. God forms and peoples the universe. The light of spiritual understanding gives gleams of the infinite only, even as nebulae indicate the immensity of space.

510:9

Truth and Love enlighten the understanding, in whose "light shall we see light;" and this illumination is reflected spiritually by all who walk in the light and turn away from a false material sense.

510:27

Light is a symbol of Mind, of Life, Truth, and Love, and not a vitalizing property of matter. Science reveals only one Mind, and this one shining by its own light and governing the universe, including man, in perfect harmony. This Mind forms ideas, its own images, subdivides and radiates their borrowed light, intelligence, and so explains the Scripture phrase, "whose seed is in itself." Thus God's ideas "multiply and replenish the earth." The divine Mind supports the sublimity, magnitude, and infinitude of spiritual creation.

511:11

In divine Science, which is the seal of Deity and has the impress of heaven, God is revealed as infinite light. In the eternal Mind, no night is there.
