"LIFE THAT MAKETH ALL THINGS NEW..."

OUR MISSION

Our purpose is to promote spiritual growth, unconditional love and healing based on the teachings of the Bible and the writings of Mary Baker Eddy.

METAPHYSICAL TOPIC FOR JANUARY

HOW CAN WE PROMOTE POSITIVE
CHANGE IN THE NEW YEAR?

What are Metaphysical Meetings?

Church gives us the opportunity to put our money where our mouth is, so to speak. We are all about healing, individually as well as collectively. Our monthly metaphysical topics and fruitage meetings on the 4th Monday of the month enable us to walk our talk by exploring spiritual paths through various world problems. Please come take a stroll with us. The views are inspiring!

REGULARLY SCHEDULED MEETINGS

7pm PT on Zoom

- Monday, January 12: Growing Church Workshop (GCW) every 2nd Monday
- Monday, January 26: Metaphysical meeting - every 4th Monday. Everyone is welcome!

JANUARY TITHING

Unidos South OC

UNIDOS!!

Unidos! (Unite!) It's an active verb and a call for action that our January tithing recipient, **UNIDOS SOUTH OC**, heard and is responding to every day in a local San Juan Capistrano neighborhood both near and dear to us. We were introduced to this remarkable group through our Love Our Neighbors Project and our continuing conversations with those in our neighboring communities.

Their mission says it all: *"We are cultivating a resident-led movement toward a thriving neighborhood, as a reflection of God's love."*

We are looking forward to a presentation to our congregation from **UNIDOS SOUTH OC** to learn about their current goals and programs and how we can support their mission. (Look for an announcement.)

For a preview of the love-inspired community programs guided by Unidos, and to hear the passionate commitment in the voices of community members, you are invited to watch a short video that beautifully tells the story.

Visit: unidossouthoc.com

Watch for weekly requests to prayerfully support Unidos, knowing this is the heart and foundation of our tithing program.

**BEHOLD HOW GOOD AND HOW PLEASANT IT IS FOR BRETHEN
TO DWELL TOGETHER IN UNITY.**

A SMASHINGLY SUCCESSFUL WEEKEND!

Many thanks to everyone for helping us to have a most successful weekend. As most of you know, Bobby Lewis lectured for our local and Zoom community on Saturday, December 20th. There were about 80 in person and about 180 online. It's been posted on our website via YouTube and as of 12/29 has had 2,800 views. It will be up for a couple more weeks if you'd like to see it. Just go to our website and click on the flyer.

David Fowler, Byron Alexander, Bobby Lewis, Deborah Huebsch

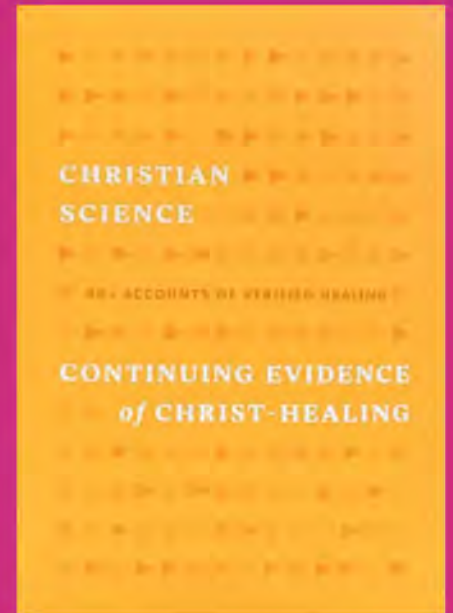

The second lecture, which was targeted for prison, inmates, and workers, was given Sunday, December 21st with 90 views online. This talk will be available throughout the year for use by that population. You can see it by clicking on the blue flyer, featured on our homepage.

All in all, we felt we gave a wonderful gift by sponsoring these lectures during the Christmas season. Again, thanks everyone for your help!

BOOK REVIEW BY TIM MYERS, C.S.

"I'm enjoying it. It's informative and inspirational. The new book published by the Christian Science Publishing Society is titled "Continuing Evidence of Christ-Healing" and is divided into interesting chapters that cover medically-diagnosed healings, healing of those who are new to Christian Science, prayers in emergencies, and several others. Each section is filled with testimonies that have been published in the last 35 years.

As I read, I'm inspired by the type of healings, but also by the explanations of the thinking and prayers that brought the healings about.

It definitely fulfills the wishes of the Board of Directors stated in the forward:

"We hope that the various accounts presented here may serve to show you in some way that reliable Christ-healing continues to go on consistently today.

It's definitely worth a read and is available in our Reading room. Don't miss it!"
