Church gives us the opportunity to put our money where our mouth is, so to speak. We are all about healing, individually as well as collectively. MAY TITHING

E3

ELEVATING EDUCATION EVERYWHERE

That's E3!...our tithing recipient for this month whose inspired mission is to "help children thrive". E3 supports existing schools in developing countries with educational, financial and professional resources and also works with local community leaders to help start new schools. "Lifting students higher is what E3 is all about. Knowing that every child deserves a spiritually based education that will help them develop their talents, strengthen their characters, and discover their true worth. E3 supports schools that base their education on the understanding that each student is a child of God---unlimited, valued, good."

We will hear an update from E3 preceding our Growing Church Workshop on Monday May 11 at 7:00 pm to hear about their current progress as well as challenges. For a profile of each E3 school in Africa visit e3schools.org. You will be inspired!

PRAYER REQUESTS FROM E3:

Your prayers are invited to see...

- Opportunity to thrive is available to all children---no one is excluded.
- All children attending our schools have sufficient food and protection in their homes.
- Sustainability and greater self-sufficiency in each of our schools.
- Honest, good governments in the countries where our schools are located.

AND OUR CHILDREN WILL BE TAUGHT BY THE LORD
AND GREAT SHALL BE THE PEACE OF OUR CHILDREN.

Isaiah 54:13

STRAIGHT FROM MBE!

At one of our recent Metaphysical meetings, this quote was mentioned.

"Mrs. Eddy once said to a student that she longed for the day to come when no one could enter a Christian Science church, no matter how sick or how sorrowing that one might be, without being healed, and that this day can come only when every member of the church studies and demonstrates the truth contained in the Lesson-Sermon, and takes with him to the service the consciousness thus prepared. Were every member to take with him the unselfed love which our Leader called for, then it would be said of our churches as it was of Jesus' ministry: And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatic, and those that had the palsy; and he healed them."

And it was decided it would be helpful to remind all of us about it, since part of our mission is to heal. You'll be seeing it quoted, from time to time, in various places. Enjoy!
