CHRISTIAN SCIENCE CHURCH IN SAN JUAN CAPISTRANO THE SWALLOWS TIMES

OUR MISSION

Our purpose is to promote spiritual growth, unconditional love and healing based on the teachings of the Bible and the writings of Mary Baker Eddy.

METAPHYSICAL TOPIC FOR JULY

HOW CAN WE PRAY TO WITNESS WORLD PEACE SO CLEARLY THAT THERE IS NO CONFLICT?

What are Metaphysical Meetings?

Church gives us the opportunity to put our money where our mouth is, so to speak. We are all about healing, individually as well as collectively. Our monthly metaphysical topics and fruitage meetings on the 4th Monday of the month enable us to walk our talk by exploring spiritual paths through various world problems. Please come take a stroll with us. The views are inspiring!

JULY TITHING ~ FAM

DELIVERING HOPE AND STABILITY

Where? To South Orange County. To whom? Thousands of neighbors.

Since our early involvement in support of FAM...

(Family Assistance Ministries) it has grown from a busy food bank to an amazing community outreach service center nurturing the lives of individuals and families and in turn our growing communities.

Some recent stats that help tell the FAM story...

- ~\$5 million worth of food provided to families and to 1800 seniors
- ~686 families sheltered in FAMily House and counseled into permanent housing
- ~300 plus children given back-to-school backpacks and school supplies
- ~2000 volunteers distributed 2.6 million pounds of food

A growing menu of services include financial counseling, health service resources (physical, mental, spiritual), and employment support.

For some inspiring success stories check out the videos on this website: lovetfam.org

Also look on our website csinsanjuancapistrano.com and find an updated presentation from FAM's CEO, Anna Conti. Take a look below at this month's prayer requests from FAM and please apply your focused thought to bless this long time community partner.

PRAYER REQUESTS...

Please include these issues in your prayers for FAM:

-That we continue to recruit and support the increasing number of volunteers needed to provide our services

-That those in need are made aware of FAM and how to get the help available to them

-That much needed food donations keep pace with the growing food insecurity in many communities

GREAT NEWS!

We've added a feature called "Community Corner" to our website. It's an extension of our Reading Room. It's a place where community questions are being addressed. Have a look, it's a new way of loving and embracing our community!

HAPPY 4TH OF JULY!

Catch this from Mary Baker Eddy in Science and Health 340:23 "One infinite God, good, unifies men and nations; constitutes the brotherhood of man..." (and children and bunnies!).

Until next time...blessings on your headz!
